Report of Principal and School Improvement Council

Plainview Elementary services pre-kindergarten through sixth grade students. It has provided a quality education to this rural community for more than 50 years. Through the hard work of our students, parents, and faculty and staff, we saw many positive accomplishments throughout the year.

Plainview utilized MAP and Fountas and Pinnell assessment data to improve classroom instruction and student performance. Through this analysis of data, teachers were able to assess the students' strengths and weaknesses to plan instruction to meet the individual student needs. A school-wide professional development study of literacy instruction focused on small group instruction of students throughout the day within the classroom setting. This led to close analysis of student performance and more individualized/small group instruction.

Students and faculty members at Plainview had the opportunity to participate in various community service projects through the year. Plainview faculty and staff were again recognized as having 100% participation in the school district participation of the United Way Organization. The students and faculty held a school walk-a-thon for the March of Dimes campaign. During this fundraiser, \$1,100 was raised and presented at the county March of Dimes walk. The students also worked hard to raise over \$3,000 for the Pennies for Patient campaign. Our mission statement is to encourage and celebrate success and to promote the building of good character in both the school and the community. Through these projects, the students are given the opportunity to do both.

Plainview Elementary strives for excellence while maintaining its positive role in the community; we truly are "the little school with the big heart".

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	95.6
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Plainview Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
